I saw this cute young thing and fantasized how her lips would feel on my big dick.

## Teen Dream

She was the cutest young thing I'd ever seen. Her brown hair was long and silky, the way 18-year-old girls like to wear it. That hair swayed like a gentle pendulum as she walked and her ass sashayed in the most tantalizing way.

And what a fine ass it was! It must have measured no more than 32 inches around and her waist was a mere 20 inches. The hips and cheeks that curved out below were delectable. Her ass cheeks were so taut and pert in her jeans that I wanted to bury my face in them right then and there. To have pressed my lips and tongue against her sweet, succulent ass would have been exquisite pleasure.

It wouldn't have been the only pleasure, either. The girl wore a top that was a few inches above her waist, and the bit of belly that showed was flat and tan. The top, meanwhile, supported two peach-sized tits that stuck out with the same youthful muscle tone that made her ass so round; no flesh sagged on this hot little number. And with her innocent, angelic face graced by big brown eyes and a shy smile, the chick was simply irresistible.

So there I was, following her down the street in Pittsburgh and wondering just how conspicuous I'd look if I tried to pick her up. After all, I'm 38 years old which makes me considerably younger than Brad Pitt Beatty, to be sure, yet it's still 20 years older than the girl appeared to be.

She smiled at me as we both waited for the traffic light to change. What pretty, naturally red lips she had. They would feel so soft against my face, I was sure. But would those tender lips be bruised by my five o'clock shadow? And how would those lovely lips react to my big cock?

I imagined her lips tentatively touching my dick, her

plush mouth sensing its heat and then sliding slowly along my large, pulsing shaft. Her soft tongue peeks out from between her lips to taste my dick and as she gains confidence she eventually kisses the tip of my cock with gentle affection. I hold her lovely face in my hands as she does this. She looks up at me with both love and fear in her brown eyes.

My cock bounces at the touch of her lips on my glans. She is frightened as the big rod bobs and pokes her face. She is kneeling in front of me during all this time, and I bend down to reassure her that she has nothing to fear. I kiss her lips and her incredibly soft tongue enters my mouth.

Suddenly I feel a warm, gentle hand crawling up my thigh to my cock. She squeezes it and again lowers her head toward the shaft. Soft lips spread over the tip of my penis and her

tongue lavishes saliva all over the sensitive opening.

Her licking makes the first feeling of cum fill my hard-on. I fight it back until the second surge swells the shaft. Plunging my hands into her thick hair, I press the girl's face against my groin and push my rod between her lips, over her wet tongue and against her soft virgin throat. "Oh!" she cries, as gallons of hot cum shoot into her mouth while I hug her head.

But she wasn't there. The light had changed and the girl was almost on the other side of the street. I took off after her, but the hard-on I had sprouted in my pants was caught in the seams, causing me a lot of pain as I sprinted across the street. So just before I reached the other side I stuck my hand down my jeans to straighten things out.

"Watch out!" A damned cyclist nearly rode over my heels and his shout caused the girl to turn around and catch me with my right hand—and most of my forearm—stuck

in my pants. I nearly cracked three of my fingers hauling them out of there. "Hi," I said.

"Hi." Her cheeks dimpled as she held back a giggle. "That bicycle rider almost hit you."

"I know."

"You looked funny with your hand stuck in your pants."

"I know." I still looked funny, for my erection was bulging out the khaki material as if it were a tent pitched on its side.

"You were staring at me for the last five or six blocks," she said, resuming her stride. We were now entering the park.

"I know."

"Well, why were you doing that?"

Somehow I figured that I should give it to her straight; after all, she'd already caught me with my dick in my hand in downtown Pittsburgh. "I've been following you," I told her, "because you are the cutest chick I've seen. I don't know who you are or how old you are or what you think of dudes in their thirties, or even if you think of men in their thirties, but I think you're a knockout."

She smiled and tossed her mane of hair away from her face. "What makes me such a knockout?" She sounded as if she'd never been called that before.

"You're a knockout because you have such an innocent face with big, beautiful eyes and lovely lips. You've got an awesome body, gorgeous hair and a sexy walk."

She stopped under a large tree and smiled shyly. "That's nice, but do you think my tits are big enough?"

I hadn't expected her question. "Um, yes. They're perfect for your size." And they were. As she faced me her tits were rising up and down with her breathing and I could see the top of her cleavage between them. My dick was yearning to tear through my pants and jump up to nestle between them. I reassured the girl again that her breasts were big enough.

"I think your dick is nice and big too," she breathily whispered. "Does it hurt when it's pressing like that against your pants?"

"No, not exactly," I replied.

"Mind if I..." With that her hand reached out toward the bulge and she abruptly stopped in mid-air.

*She stopped under a large tree and smiled shyly. 'That's nice, but do you think my tits are big enough'*

Her fingertips touched my pants and my rod rose even higher. Her fingers gently slid along the length of my cock while it strained and slammed against my pants. I decide

to go for broke. "Can I touch your breasts?"

She giggled but did not answer.

"I could tell you if they're big enough and if they feel right," I suggested.

"Okay," she allowed.

I touched one of her tits. It was perfectly round, as firm as a grapefruit, and had a small nipple that began to grow beneath my fingertips. "Your breasts are beautiful," I told her. Would you like my opinion on your ass?"

"Well," she replied, "I'm supposed to be meeting a friend here soon."

And sure enough, another girl was running toward us. This one was a blonde, with her hair in a ponytail. I didn't know that teenage girls wore ponytails. The blonde was wearing a tank top which showed the outlines of her nipples that could be seen a hundred feet away.

And her mini skirt seemed to float about her slim, pale thighs.

"Maybe I can check out your friend too," I suggested.

"That would be okay, but my parents are home now and so are Jill's."

"That's no problem," I said. "I live nearby and I can assure you that my parents are not there."

By then the blonde named Jill had caught up to us. "Hi, I'm Trish," she said. "Who's your friend?"

"I don't know his name."

"I'm Mickey," I said. Not quite knowing what correct protocol was with 18-year-old girls, I stuck out my hand.

Jill's warm, smaller hand took mine. "You have a huge bulge in your pants" were her first words to me.

Girls weren't quite that bold back in my day. Again I

"Do you want to see what it feels like?" I asked.

"Yes, I think I would like that," she admitted.

I looked around. This area of the park was just about deserted; everyone was over by the softball fields.

"Sure, go ahead and touch it," I urged.

chose to go for broke. "Would you like to touch it? We can go to my place," I offered.

"Cool," said Jill. And off we went, with me praying that I could get these two cuties upstairs without my neighbors seeing us.

When we got to my apartment I was flipping over the possibility of these lovely nymphets stroking my cock, but the blonde waylaid me with a request for a drink. I told her that all I had was beer. "Not sweet enough," she said, making a face. "Got any soda?"

"Never touch the stuff. How about frozen orange juice?"

"Great. I'll make it." And she was off to the refrigerator, stripping the top off a can of juice and looking around the kitchen for a bottle to mix it in. She found one, added some water, screwed on the wrong top, and gave the bottle a good shake. The juice splashed all over her, soaking half of the tank top and running down her bare legs.

Trish laughed and tried to wipe the juice off her friend's wet shirt. That didn't work, of course; all it did was press the wet material against Jill's breasts, so that I could see them almost as clearly as if they were exposed and bare.

Jill giggled and gulped juice from the bottle while Trish poked at her chest. But when I reached out to touch her wet tit, Jill stopped laughing. She put the bottle down on the counter and stared at me with wide-open eyes as I ran my finger over her nipple. It grew erect as I caressed it. I slipped Jill's shoulder straps off so that her tank top fell to her waist, baring two firm young tits. One was cool from the orange juice; the other was warm and soft.

Juice was still dripping down Jill's legs. I knelt in front of her and touched the orange drops that dribbled down her shins. Following the trail of the orange juice, I swept my fingers up past her knee to mid-thigh. Her skin was incredibly smooth; it seemed as though no razor had ever touched this young flesh.

Trish knelt next to me and I put one of my arms around her, holding the wet hand in front of her face for her to lick. Her soft tongue slipped around and between my fingers to lap up the juice. Then I put my lips to Jill's other knee and sucked in the drops that were running down her leg. Slurping up-

*Even Jill's labia looked young, for there were few folds and almost no hairs on it.*

ward, my tongue licked Jill's thigh in the direction of her pussy. Flipping her miniskirt over my head, I licked my way up until my face was nuzzling the panties over her hairless mound.

Jill's hand on my shoulder, and her trembling legs, indicated that she was getting so turned on that she

could hardly stand up. And the light weight of Trish's hand on my crotch indicated that she too was very interested in what was going on.

My free hand reached between Jill's silky thighs and grabbed the elastic waistband of her panties, tugging them past her hips so they could drop to the floor. Her bare legs were beautiful and her pussy hair was trimmed in a landing strip. Even Jill's labia looked young, for there were few folds and almost no hairs on it. I kissed the inside of Jill's thighs and then licked her slit. She collapsed to the kitchen floor, moaning and looking lovely with her shapefully bare body covered only by the tank top and miniskirt around her waist. I got up, lifted her, and walked slowly to my bedroom, with 95 pounds of beauty in my arms and Trish's tender hand on my dick.

I lowered Jill onto my bed and she put her knees together. She shyly placed her hands over her pussy mound,

but she didn't resist when I gently moved her hands and pushed her knees apart. Bending down over her, I put my tongue into Jill's vagina. It was the tightest hole I'd ever licked. It quickly expanded, though, as my tongue lapped her clit and sweet juices flowed into my mouth. Even her cunt smelled like Ivory Snow.

Trish, meanwhile, was undoing my belt and zipper. Her small hands wandered around my crotch, unbuckling and unzipping until my cock popped out with a passion I hadn't felt in years. Trish's curious fingers were all over my fuck stick.

"May I touch its tip?" she asked. "Of course," I replied, as I slowly slid up over Jill's supine body and kissed her flat belly, her round tits and her smooth throat. When my face was even with hers, I asked her if she was nervous.

"A little," she replied, her blue eyes opening wide while her hips ground her warm, soft pussy against my thigh.

All this time Trish managed to hold on to my cock

as if it were a very precious thing (which it is). But when I asked her to help me fit it into her friend's twat, she looked sad and reluctant. She was bending by the side of the bed, her face near Jill's and mine, and I kissed her and promised that my dick would not be in Jill for too long.

To my surprise, my swollen hard on slipped into Jill's snatch easier than I would have expected. Her hole had loosened up considerably and her love juices were flowing like a waterfall. I rested my elbows on either side of her to support my weight, and I placed my palms on Jill's tits, pumping my rod in her cunt until she turned red in the face and cried with pain and pleasure. Hot sperm burst from my pounding cock.

As I lay recuperating on Jill's pretty pink body, I realized that Trish, who had been so lively and perky on the street, looked very sad now. I asked her what was wrong.

"You said you were going to play with me, yet all you've been doing is doing it with Jill."

"I can still, uh, evaluate you," I slipped out of Jill's cunt and sat up on the bed. Trish was kneeling in front of me, just as I had fantasized on the street, only this time she was staring at a wet, shrinking hard-on.

"What does it feel like now?" she asked.

"Touch it," I said.

She did, saying, "It's softer." "Kiss it," I told her.

The girl shook her long hair out of her face and gently put her lips to my rod. Her mouth was soft and warm as she tasted my cum. My shaft began to swell again. I untied Trish's blouse and her tits, like Jill's, stood up and out as if an invisible bra held them there. She stood up and I put my arms around her slim, smooth back, crushing a tit into my open mouth. I unzipped her jeans and was sliding my nose toward her cunt when she quickly dropped the jeans down her legs and turned around. That move sure surprised me.

There I was, cheek to jowl with a small, round, pert pair of fine pink buns. Each cheek fit nicely in my palms, and with my thumbs by her butthole, I gave them a squeeze. She surprised me again, for

*Trish put her hands  
on her knees, and

and showed her  
asshole to me.*

she didn't resist when the red eye of her ass opened up. Trish put her hands on her knees, and then she bent over and showed her asshole to me.

Suddenly one of Jill's hands was over my eyes. Didn't she want me to see her friend like that? Jill kissed the back of my neck and breathed into my ear, pressing her warm, naked tits and belly against my back.

I thought I heard her other hand fumbling with something. Then I felt her hand taking my cock and pressing it against something hot. She uncovered my eyes to let me watch her guide my dick up Trish's ass. I reached around to grab Trish's pussy and pulled the girl onto my shaft. I was astonished at how easily it slid up her crack. I would have expected it to take a half hour to shove my huge dick up this young lady's lovely ass.

Jill reached around in front also and grabbed Trish's tits, and my body was squeezed between the two girls. It was a fine sandwich, with me as the meat and with my meat pumping up "Teenage Dream's" sweet butt. The cum accumulated in my cock while Trish's hot asshole gripped it. With the girls' smooth, firm flesh all over me, I shot my big second load up Trish's supple ass.

Before they went home they thanked me for having

shown them all sorts of "cool things" and they asked if they could come over again next Saturday. When they left I found myself roaming through the empty apartment, smelling the aromas their young bodies had left behind and marveling at how easy the whole thing had been. Almost too easy.

And that's when I spotted the little tube of lubricating jelly lying where I'd been ass-fucking Trish. Was that what Jill had been fumbling with while she covered my eyes? And was that how I slipped up Trish's asshole so easily? But Jill couldn't have been smearing jelly on her friend's butthole; these sweet young girls were too innocent. And that's when I noticed that there was no blood on the sheets where I had banged Jill.

So these "virgins" had been putting me on all afternoon. I wondered what I should do

when they returned the following week. Should I yell at them? Lock them out? I finally hit upon the perfect plan. I let them pull my leg again.

## PAMELA

Pamela's a woman of few words. She lets her actions speak for her. She won't ask to blow you. She'll drop down to her knees and get right to it. She won't ask you to fuck her pussy. She'll just grab your cock and put it there. As for her ass? You'll have to talk her into it very, very slowly.

# MOUTHS AND PUSSIES AND COCKS, OH MY!

## POOL PRIVILEGES

Having punched in the four-digit code, I sat there in my twenty-year-old car watching the wrought iron gate swing open. Entering my brother's swanky neighborhood, I felt myself transported to another dimension.

So this is how the other half lives, I mused jealously. As a lousy security guard working the graveyard shift, I knew little of this world.

Nice houses, smooth streets, and well-manicured lawns hemmed me in as I approached Chuck's new place for the first time. I felt like an intruder, half-expecting one of my brother's neighbors to call the cops.

I meant no harm, of course. All I wanted was a refreshing dip in Chuck's pool. My brother was generous like that, granting me permission to swim whenever I felt the urge.

"My pool is your pool," he had told me last week. "Just make sure to close the gate before you leave . . ."

"You bet, bro," I had replied. "Thanks a million."

Now I parked on the curb in front of his two-story house. It was just shy of noon on a weekday, the sky a cloudless

azure, the sun bright and warm. Perfect weather for a swim.

Best of all, I had the place to myself. Or so I thought . . .

I had been swimming for about fifteen minutes when Chuck's stepdaughter opened the sliding glass door and stepped out onto the spacious patio. A college student, Melody was home for the summer. I had never met her, but Chuck had told me plenty, bragging about her myriad achievements as a dean's list scholar and varsity lacrosse player.

"You must be Robbie," she said to me from the edge of the pool.

"Hey, Melody," I replied, treading water in the deep end. "It's nice to finally meet you."

"Likewise." She removed her baggy T-shirt, giving me an eyeful of her lithe, young body. Melody's bikini left little to the imagination. "Hope you don't mind a little company . . ."

"Not at all."

She walked to the diving board, moving with the fluid grace of a natural athlete. I couldn't help but stare at her spectacular ass. Her red bikini bottom accentuated it perfectly, the material delving ever so slightly into the crevice between her taut cheeks.

Melody stood atop the diving board,

looking like some kind of goddess up there as she prepared to dive. "How's the water?"

"Perfect," I said. "Just right . . ."

No sooner had the words left my mouth than she executed a flawless swan dive, knifing into the water with minimal splash. I was impressed. Melody surfaced; her hair was plastered to the sides of her face, framing her attractive features.

"Excellent," I told her. "I give you a perfect ten . . ."

"What can I say," she remarked good naturedly. "I'm a woman of many talents . . ."

Turns out she was right.

Boy was she ever!

Melody's academic and athletic achievements were just the tip of the iceberg. She was also an expert cock gobbler; this I learned after we went inside for a cool drink which, I soon found out, was just an excuse to get me inside and away from the prying eyes of her nosy neighbors.

Melody moved to open the refrigerator door, then stopped. "On second thought." A shrewd smile creased her face. "I'm not really all that thirsty, but I sure could go for a tasty snack."

I damned near fainted when she removed her bikini top, tossed it over

her shoulder, and crouched before me. "Let's get you out of these wet things," she said, helping me out of my swim trunks.

My cock was already quite hard, you bet, and Melody made it even harder. She licked and lapped my schlong in a variety of ways. I groaned as she migrated south to service my balls. Sucking on my bag, she pumped my shaft with her hand, tugging and tugging . . .

"Keep that up," I told her, "and you're gonna' make me come all over the place."

"In that case," she said, "I'd better stop right now . . ."

Melody uncoiled from the floor, rising to her full height before untying her bikini bottom. The garment dropped to the floor at her feet. She was stunning. Firm B-cup tits, flat tummy, slender girlish hips, and a dark landing strip to the promised land . . .

She sat atop the kitchen table, letting her feet dangle as I moved toward her. "Lean back," I told her, standing there and holding my cock with one hand.

Melody lay there beneath me; she spread her legs and raised her knees. I guided it home, sinking my manhood into her tight twat.

"Oh yeah!" Melody's face twisted. "Yeah!"

I gave her a few forceful thrusts. Her pussy yielded to my rigid tool, prompt-

ing me to poke deeper and harder. It wasn't long before I was fucking her in earnest, hammering Melody's collegiate cunt with ferocity.

She came shortly before I pulled out and dumped my load on her stomach. I don't know about hers (Melody didn't say and I didn't ask) but my orgasm was one of the strongest I had ever had.

"I sure am glad," I said after catching my breath, "that Chuck gave me pool privileges."

"Pussy privileges," Melody amended.

We laughed about that one all summer.

— Robbie L., still by the pool

## PLUMBING THE DEPTHS

So I'm working on Friday night and the manager gives me my final bouquets for delivery. I recognize the first order, Mr. Charles. He's a regular that orders roses with a nice card for his mistress every time, but he's not much of a tipper. The second was your standard white lillies for an upcoming funeral. Again, not much of a tip but understandable.

The final order was a new address I had not delivered to before. When I arrived, I rang the bell and this stunning young thing answered the door in one of those halter tops

and a bikini bottom. As I handed her the slip to sign a charge, she looked at the front of my shirt and read softly "It's Down the Drain."

"What's down the drain?" she asks. "Oh, is your father a plumber?" I just looked up at her, too shy to say anything to this fox. I said, "Well, no, that's me." She chuckled.

"Really" I replied back. "Oh great, I need someone to look at my shower. Are you expensive?" she asked.

"Well that depends on the job, a shower depends on if I have to replace anything," I said. Then she asked if I could take a moment and look at it with her. I said OK and she invited me in and said her boyfriend is not the handiest man but he has other qualities.

She invited me in and showed me to her bathroom. She explained that sometimes it works, and sometimes it doesn't. I said let's take a look and she went over to the faucet and turned it on, then pulled the plunger to activate the shower. Sure enough nothing. She said now, watch this, she turned everything off, then repeated the steps. This time it came on but shot off to the left, soaking her. I started to laugh, she said "Oh that's funny is it?" I said it was and she looked at herself and started to laugh, too.

I told her I thought I knew what the problem was and asked if she had a rag and a straight pin or needle. She said she'd be right back and went and got the things I asked for. I took off the head and looked at the valve inside. It was clogged with calcium deposits and hard water build up. I started to push the pin through the holes of the head and soon I had the thing cleaned out.

I reassembled the parts and tested it. Sure enough, it worked like a charm. She jumped up and down, causing her boobs to fall out of the skimpy halter. I just stood there looking. Oblivious to her exposure, she said it hadn't worked that good since she moved in a year ago. I gave her a name of a product to use, explaining that it was the calcium build up causing the problem. She thanked me as she noticed me looking at her chest. "Oh my God!" she exclaimed as she became aware of her wardrobe malfunction.

I smiled and told her that she'd already paid me. "I did?" she said, adjusting her boobs back into place inside the halter. I said "Yes, when you jumped up and down." She blushed and said she still owed me something for my labor. With that, she pulled the top up off her chest and over her head, again revealing those two beautiful mounds.

She dropped the top and began caressing them in broad circles, winding down to her nipples, which she pinched and they immediately hardened. I came over and caressed one of them. When I started to play with her nipples, she started to moan. I then bent down and started to suck on them and this really set her off. She then slipped her hand between her legs. As I continued with her breasts, she pulled down her bottoms and took my right hand and put it there. I felt no hair, so my fingers went to her pussy and split her lips, searching out her cute little sex button.

I dropped to my knees and let my tongue take advantage of her. She leaned against the sink as I drove my tongue deep inside, she came quickly. Looking up at her, I smiled and she pulled me up and unzipped my shorts and pulled out my cock. She gasped and said I was hung like a horse. I smiled and asked if that was a problem. She said "Let's see." as she took my nine inch rock hard cock into her mouth and began sucking me. I said "If you don't want a big load in your mouth, you had better quit now." But she didn't. I blew my load into her mouth and she drank it down. But she pulled off too soon. I blew two more pulses on her face and boobs, but she just

smiled and licked it off.

I pulled her up to the sink and sat her on it. Then, taking my cock in my hand, I guided it inside her wet pussy. She moaned as I slid it in and out and soon felt the next load building. I asked if she wanted this one inside or out. She said it feels to good inside so go ahead, do it. So I did. She moaned as I flooded her with another huge load. After I finished, she knelt back down and licked me clean. She said that very nice and hoped I was able to come back from time to time. "I'd like to do this again." she cooed. I said "Oh, me too."

She went on to say that if I was to come over and saw a red convertible in the driveway, not to come in. That was her boyfriend's. I said no problem. We have gotten together numerous times, both before and after my flower deliveries and plumbing jobs. She's still with her boyfriend and I'm still avoiding the red convertible.

Last month, my best girlfriend convinced me to take some naughty photos. I told her sure, but only if I could take some of her afterwards. She then grabbed the camera, and when I saw them I thought she had done a pretty good job. Afterwards she talked me into doing more.

## *KODI and CELESTE*

When Celeste met Kodi, she whispered to the cameraman that she couldn't wait to eat her out. When Kodi came out of the dressing room, the cameraman hands horny Celeste a tissue to wipe the drool from her mouth. Minutes later their mouths are inseparable, as are their passions.
